- Bootstrap
- Tailwind CSS
- Bootstrap
- Git/GitHub
- React.js

ABOUT ME

Self-taught Front-End Developer with a strong foundation in JavaScript, HTML, and CSS, currently building projects with React and Tailwind CSS. Comfortable debugging, reading documentation, and learning new tools independently. Also have experience with Git and GitHub for version control, project management, and collaborative development. I am continuously improving my skills and learning new technologies to build efficient and high-quality web applications.

WORK EXPERIENCE
